Notes to Financial Statements

Significant accounting policies

1. The financial statements are prepared on an accrual basis of accounting and follow the generally accepted accounting principles (GAAP) in the United States. The financial statements are prepared on a consolidated basis and include the accounts of the Company and its wholly owned subsidiaries. All intercompany accounts and transactions have been eliminated. The financial statements are prepared in US dollars and are denominated in US dollars.

Capital assets

Land	100,000	100,000
Buildings	200,000	200,000
Equipment	50,000	50,000
